Docket No. 98N-1265 MAR 24 P2:06
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: I am so thankful that
I can obtain natural medicined
progesterone from Madelon Pharmacy
Associates (Wiscovision) even though I
live in Illinois; altho' I have tried
other natural progesterone, this is the
only one which is effective without
side effects for me.
